

FAITHFULNESS TO HIS WORD

REACH
THE WORLD

MISSION ADVANCE

GC SM April 11, 2018

INNOVATIVE & CREATIVE PROJECTS

"Let every worker in the Master's vineyard, study, plan, devise methods, to reach the people where they are. We must do something out of the common course of things. We must arrest the attention. We must be deadly in earnest. We are on the very verge of times of trouble and perplexities that are scarcely dreamed of" (Ellen G. White, Evangelism, pp.122, 123).

Youth Dedicated to God

“With such an army of workers as our youth, rightly trained, might furnish, how soon the message of a crucified, risen, and soon-coming Savior might be carried to the whole world!”—([EGW, “Education,” page 271](#))

**Combining medical missionary work
and ministry of the Word,
we can reach all classes**

“The gospel ministry is an organization for the proclamation of the truth to the sick and to the well. It combines the medical missionary work and the ministry of the Word. By these combined agencies opportunities are given to communicate light and to present the gospel to all classes and all grades of society. God wants the ministers and the church members to take a decided, active interest in the medical missionary work”

(Ellen G. White, Testimonies for the Church, Vol. 6, p. 300-301).

Health & the Word

Ministers should sometimes
gain listeners' interest in
Bible doctrine by first giving
talks on health

“In our sanitariums our ministers,
who labor in Word and doctrine,
should give short talks upon the
principles of temperance,
showing that the body is the
temple of the Holy Spirit, and
bringing to the minds of the
people the responsibility resting
upon them as God’s purchased
possession to make the body of
holy temple, fit for the indwelling
of the Holy Spirit. **As this
instruction is given, the people
will become interested in Bible
doctrine.**” (Ellen G. White,
Temperance, p. 245).

Publications Reading prepares the way for the spoken word

“I have been shown that few have any correct idea of what the distribution of papers and tracts is doing. The missionary work, in circulating the publications upon present truth, is opening doors everywhere, and preparing minds to receive the truth, when the living preacher shall come among them. The success which attends the efforts of ministers in the field is not due alone to their efforts, but in a great degree to the influence of the reading matter which has enlightened the minds of the people and removed prejudice. Thus many are made susceptible to the influence of the truth when it is presented before them” (Ellen G. White, The Publishing Ministry, p. 398).

Family
Ministry:

Uplifting
humanity
begins in
the home

"The restoration and uplifting of humanity begins in the home. The work of parents underlies every other. Society is composed of families, and is what the heads of families make it. Out of the heart are "the issues of life" (Proverbs 4"23); and the heart of the community, of the church, and of the nation is the household. The well-being of society, the success of the church, the prosperity of the nation, depend upon home influences." (Ellen G. White, The Ministry of Healing, p. 349).
