2023  
SPRING MEETING

EXPLANATION OF CODING AND FORMAT

This explanation is to help you use the 2023 Spring Meeting agenda and support material.

1. The agenda lists the items of business that are to be considered at the business meetings of the General Conference Executive Committee or its standing subcommittees.
2. If an agenda item has support material, you will find a number in brackets at the end of the agenda title line where the support material will be found.
3. Many agenda items have a code consisting of five digits followed by one or more letters that follows the agenda title. This is a computer identification code used for tracking the item. You will find this same code on any corresponding support material.
4. The reference line is just above the title on the first page of the support material for each item. This line identifies the source(s), traces the history of the item, and also shows its routing. The glossary on pages 10-12 identifies the organizations and committees which have given prior consideration to a particular item and where it will be considered next. The series of acronyms to the left of the word “to” traces the past history of the item. To the right are the initials of the General Conference officer who is responsible for presenting the item. Occasionally, its future routing is suggested also.
5. If a code number appears in the reference line, it shows that the item has been considered during a previous administrative year. An administrative year extends from the close of one Annual Council to the close of the next Annual Council.

MISSION STATEMENT  
OF THE SEVENTH-DAY ADVENTIST CHURCH

**Our Mission**—Make disciples of Jesus Christ who live as His loving witnesses and proclaim to all people the everlasting gospel of the Three Angels' Messages in preparation for His soon return (Matt 28:18-20, Acts 1:8, Rev 14:6-12).

**Our Method**— Guided by the Bible and the Holy Spirit, Seventh-day Adventists pursue this mission through Christ-like living, communicating, discipling, teaching, healing, and serving.

**Our Vision**— In harmony with Bible revelation, Seventh-day Adventists see as the climax of God's plan the restoration of all His creation to full harmony with His perfect will and righteousness.

# *The Great Controversy*

## **Chapter 21—A Warning Rejected (pp. 388-390)**

The spirit of worldly conformity is invading the churches throughout Christendom. Robert Atkins, in a sermon preached in London, draws a dark picture of the spiritual declension that prevails in England: “The truly righteous are diminished from the earth, and no man layeth it to heart. The professors of religion of the present day, in every church, are lovers of the world, conformers to the world, lovers of creature comfort, and aspirers after respectability. They are called to suffer with Christ, but they shrink from even reproach.... Apostasy, apostasy, apostasy, is engraven on the very front of every church; and did they know it, and did they feel it, there might be hope; but, alas! they cry, ‘We are rich, and increased in goods, and stand in need of nothing.’”—Second Advent Library, tract No. 39. (388.1)

The great sin charged against Babylon is that she “made all nations drink of the wine of the wrath of her fornication.” This cup of intoxication which she presents to the world represents the false doctrines that she has accepted as the result of her unlawful connection with the great ones of the earth. Friendship with the world corrupts her faith, and in her turn she exerts a corrupting influence upon the world by teaching doctrines which are opposed to the plainest statements of Holy Writ. (388.2)

Rome withheld the Bible from the people and required all men to accept her teachings in its place. It was the work of the Reformation to restore to men the word of God; but is it not too true that in the churches of our time men are taught to rest their faith upon their creed and the teachings of their church rather than on the Scriptures? Said Charles Beecher, speaking of the Protestant churches: “They shrink from any rude word against creeds with the same sensitiveness with which those holy fathers would have shrunk from a rude word against the rising veneration of saints and martyrs which they were fostering.... The Protestant evangelical denominations have so tied up one another's hands, and their own, that, between them all, a man cannot become a preacher at all, anywhere, without accepting some book besides the Bible.... There is nothing imaginary in the statement that the creed power is now beginning to prohibit the Bible as really as Rome did, though in a subtler way.”—Sermon on “The Bible a Sufficient Creed,” delivered at Fort Wayne, Indiana, Feb. 22, 1846. (388.3)

When faithful teachers expound the word of God, there arise men of learning, ministers professing to understand the Scriptures, who denounce sound doctrine as heresy, and thus turn away inquirers after truth. Were it not that the world is hopelessly intoxicated with the wine of Babylon, multitudes would be convicted and converted by the plain, cutting truths of the word of God. But religious faith appears so confused and discordant that the people know not what to believe as truth. The sin of the world's impenitence lies at the door of the church. (389.1)

The second angel's message of Revelation 14 was first preached in the summer of 1844, and it then had a more direct application to the churches of the United States, where the warning of the

judgment had been most widely proclaimed and most generally rejected, and where the declension in the churches had been most rapid. But the message of the second angel did not reach its complete fulfillment in 1844. The churches then experienced a moral fall, in consequence of their refusal of the light of the advent message; but that fall was not complete. As they have continued to reject the special truths for this time they have fallen lower and lower. Not yet, however, can it be said that "Babylon is fallen,... because she made all nations drink of the wine of the wrath of her fornication." She has not yet made all nations do this. The spirit of world conforming and indifference to the testing truths for our time exists and has been gaining ground in churches of the Protestant faith in all the countries of Christendom; and these churches are included in the solemn and terrible denunciation of the second angel. But the work of apostasy has not yet reached its culmination. (389.2)

The Bible declares that before the coming of the Lord, Satan will work "with all power and signs and lying wonders, and with all deceivableness of unrighteousness;" and they that "received not the love of the truth, that they might be saved," will be left to receive "strong delusion, that they should believe a lie." 2 Thessalonians 2:9-11. Not until this condition shall be reached, and the union of the church with the world shall be fully accomplished throughout Christendom, will the fall of Babylon be complete. The change is a progressive one, and the perfect fulfillment of Revelation 14:8 is yet future. (389.3)

Notwithstanding the spiritual darkness and alienation from God that exist in the churches which constitute Babylon, the great body of Christ's true followers are still to be found in their communion. There are many of these who have never seen the special truths for this time. Not a few are dissatisfied with their present condition and are longing for clearer light. They look in vain for the image of Christ in the churches with which they are connected. As these bodies depart further and further from the truth, and ally themselves more closely with the world, the difference between the two classes will widen, and it will finally result in separation. The time will come when those who love God supremely can no longer remain in connection with such as are "lovers of pleasures more than lovers of God; having a form of godliness, but denying the power thereof." (390.1)

Revelation 18 points to the time when, as the result of rejecting the threefold warning of Revelation 14:6-12, the church will have fully reached the condition foretold by the second angel, and the people of God still in Babylon will be called upon to separate from her communion. This message is the last that will ever be given to the world; and it will accomplish its work. When those that "believed not the truth, but had pleasure in unrighteousness" (2 Thessalonians 2:12), shall be left to receive strong delusion and to believe a lie, then the light of truth will shine upon all whose hearts are open to receive it, and all the children of the Lord that remain in Babylon will heed the call: "Come out of her, My people" (Revelation 18:4). (390.2)
