General Conference of Seventh-day Adventists

THE WORLD HEADQUARTERS OF THE
SEVENTH-DAY ADVENTIST CHURCH

Welcome to the online home for the General Conference of Seventh-day Adventists! The General Conference is the coordinating hub of the Adventist Church. It oversees the work the denomination does globally, interfacing with regional leaders who coordinate activities in their parts of the world. Adventists are an extremely diverse, international family of Christians. We exist to help people everywhere understand the Bible to find freedom, healing and hope in Jesus Christ. Thanks for checking out our site!

Our Beliefs

Seventh-day Adventist beliefs are meant to permeate your whole life. Growing out of scriptures that paint a compelling portrait of God, you are invited to explore, experience and know the One who desires to make us whole.

A low-angle, first-person perspective shot of a person running through a dense forest. The runner's legs and feet are in the center of the frame, moving forward. The ground is covered in dry leaves, twigs, and some green moss. The background is heavily blurred, showing the motion of the run. The lighting is natural, suggesting daylight filtering through the trees.

Es una excelente aplicación, de las pocas aplicaciones que he conocido que te ayudan a conocer más de la palabra de Dios de manera didáctica y bastante entretenida. Tiene mecánicas interesantes, variedad de héroes de la biblia y está muy bien construido. Sin duda una de las mejores apps de entretenimiento y aprendizaje bíblico.
