# Understanding the Biblical Role of the Pastor

# What is the Biblical Role of the Pastor?

A person wearing a dark grey suit jacket and a red and black striped tie is shown from the chest down. Their right hand is pointing towards an open book lying on a dark surface. The book's pages are aged and yellowed. Overlaid on the right side of the image is white text with a question mark at the end of each line. A thin white horizontal line is positioned below the word 'Administration?'.
