Q&A

› Why get married? Isn't it better to just live together instead?

› What's the big deal with homosexuality? The older people in my church often refer to homosexuality as a sin. Why would it be a sin if God made a person that way?

› Is being homosexual something that you are born with (genetic)?

› If I love someone, what's wrong with expressing that love through sexual intimacy, regardless of being married to them or not?
