## The First Step of Sahmyook Foods, 1982

George Henry, a missionary who contributed to the early development of mission work in Korea, emphasized the need for a soy milk market.

In response, the Korean Union Mission initiated plans to establish Sahmyook Foods, focusing on natural and plant-based products.

*" The time will come when **we may have to discard** some of the articles of diet we now use, **such as milk and cream and eggs** ... "*
