## SDA Fundamental Belief #6

“God has revealed in Scripture the **authentic and historical account** of His creative activity. He created the universe, and in a **recent** six-day creation the Lord made “the heavens and the earth, the sea, and all that is in them” and rested on the seventh day. Thus He established the Sabbath as a perpetual memorial of the work He performed and completed during **six literal days that together with the Sabbath constituted the same unit of time that we call a week today...**”

# My efforts — Your word

An illustration of Jesus and his disciples fishing in a boat on the sea. Jesus, wearing a blue robe, stands at the stern of the boat, holding a wooden pole. Several disciples are in the boat, pulling in a large net filled with fish. The water is dark blue with many fish jumping out of it. The sky is a light blue gradient.

“Put out into deep water, and let down the nets for a catch.”  
Simon answered, “Master, **we’ve worked hard all night** and haven’t  
caught anything. But **because you say so**, I will let down the nets.”  
(Luke 5:4-5)
